

Restoration Funding

Funding Levels

\$0 - \$999

\$1,000 - \$2,499

\$2,500 - \$4,999

\$5,000 - \$9,999

\$10,000 & Above

Funding provides the means for our Restoration Department to create and maintain exhibits, restore aircraft, and preserve historical artifacts for public exhibition. It allows for the collection and restoration of aircraft, such as the B-17 Flying Fortress, the HU-16 Albatross, and the F-100 Super Sabre, and ensures the future of the Museum as a historical preservation site. Every donation is an opportunity to grow our offerings, protect the past, and enhance the future for visitors from around the globe.

Get Started

The Museum of Aviation relies on the generosity and support of corporate and individual donors. Your support—large or small—prepares the next generation by helping the Museum educate and inspire our visitors, recruit the future workforce and honor those who have contributed to Air Force history.
